

LISA BURKHARDT WORLEY
Christian Motivational Speaker

Pearls of Promise Ministries

Lisa Burkhardt Worley created *Pearls of Promise Ministries* in 2009 after she felt a call from God to minister to women through Christian motivational speaking. Burkhardt Worley had spoken to groups across the Texas area for the past sixteen years but when she was called to seminary in 2003, she knew that the Lord wanted her to make a career of encouraging women through the spoken word. Her seminary education gives her a deeper understanding of the faith and enables Burkhardt Worley to share the truths she's discovered with her audiences.
